

WE TASTE A LOT OF CRAP

so you don't have to

We try wines from around the world looking always for the best combination of eco-friendly wines at great prices. Many don't pass our stringent controls, high standards, expectations, and our trained tastebuds. This way we only offer you the most unique wines at great prices!

New to wine? No problem – our team have you covered. Now is the chance to experience sustainable, high-quality wines in a relaxed and welcoming atmosphere.

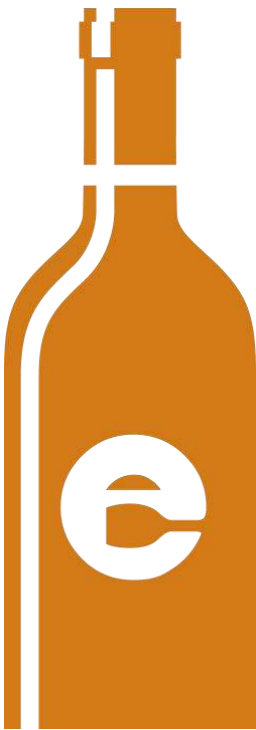

OUR STORY

Welcome to our wine bar, where we bring the vineyard experience from our passionate family of artisan producers directly to your table. Prepare to be served and impressed as we share our passion for sourcing the finest wines from eco-friendly wineries worldwide, right here in London.

We've scoured the globe to find wineries that prioritise sustainability and environmental consciousness, as well as a great talent for making delicious wines. Each choice drop in our carefully curated selection not only delights your palate but also reflects our commitment to ethical production and celebration of the world's great terroirs.

Indulge in an elevated wine experience. Sit back, relax, and let us pour you a glass of our finest wine. Known for our welcoming atmosphere, jazz nights, and friendly staff, our bar is the perfect place to explore the world of wine.

Cheers to a memorable and feel-good moment with BeBeMe.
